about us

Cleanliness issues have taken a new turn since our inception in 1988. To date the Government is actively campaigning for a cleaner environment for a healthy living. The awareness for cleanliness has happened after years of neglect and low priority being placed in this area of development. But now things are changing.

Penpro (M) Sdn Bhd specialises in the operation of cleaning and maintenance services. We realised that to perform a good task in the cleaning industry. It requires proper equipment, well-trained workers, excellent technical know-how which is complemented by a team of dedicated and committed personnel at all levels. We obtained the internationally recognised QMS ISO 9001:2000 certification in December 2005 to further enhance our quality of services to our valued clients.

We assure you of our total commitment in carrying out our professional services at all times.

Here we included information on our services and our company. We would be grateful if appreciate if you could give us the opportunities to explain further what we can do for you. Please do not hesitate to contact us if you require any further information or visit us to see for yourselves the set up of our organisation and the development of Penpro (M) Sdn. Bhd. At Penpro we are committed to deliver on time.

Our Strength

Our strength lies with our wealth of expertise and resources, and our constant efforts to optimise the resources that we have to deliver results for our valued clients. And as we utilise what we have, we continue to drive Penpro through innovations, expertise and quality delivery.

- At Penpro, our philosophy is to ensure that the high quality of our service is maintained at all levels to meet our client's expectation and requirement.
- Our cleaners are easily identifiable by their identification tags and their standard blue uniform with printed on company logo.
- We provide excellent employment benefits including principal and third party insurance coverage for to our employees.
- Like the honeybees, we work together with one purpose and one commitment – to provide unparalleled quality of service to our valued clients.

Professional Training

“At Penpro, our people is our engine of growth and we unleashed the potential of each of our people to propel us to greater height. This is our way to ensure our company will have an abundant pool of professional workers and leaders to steer us towards achieving the goal to be the preferred provider of world-class cleaning and maintenance service”.

Continuous development of our human capital is essential to maintain Penpro's competitive edge in achieving its aspirations. Various human resource initiatives and programmes were implemented, concentrating on developing technical and business skills, leadership development and mindset and behavioural change. We have full-time training officer to manage and conduct in-house skilled trainings for our employees. We also have the latest equipment base to meet the ever growing requirements of our valued clients. At Penpro we believe in high quality service.
